### **OTHER OFFER 2012-2013 A-LEAGUE SEASON**

Although the logistics are yet to be finalised, Sydney FC proposes to provide a cash benefit to each club out of each membership where the member indicates the name of the club where he/she would like the payment to be made. Sydney FC will also provide a benefit (not yet determined) to the Association and club which receives the most rebates. We have yet to determine the percentage to go back to the club and our IT people are determining how this can be incorporated into our online membership software.
